FOREWORD

Learning is one of the most important occurrences of human development. As one becomes older, he continues to learn. As he breaks away from his past, he finds himself frequently recalling memories. These memories are perhaps the only bonds one has between the past and the future.

The 1966 *Tiger Lily* has been created as a pictorial and written record of memories. It contains a record of not only the present school year, but also certain events from the previous year. The theme "tiger lily" was chosen with the hope that it would extend the continuity and traditions established since the first edition in 1913. It is the wish of the staff of the 1966 *Tiger Lily* that in future years this yearbook may help one to remember "how it was."

The Senior Class is honored to dedicate the 1966 *Tiger Lily* to a teacher whom we feel has made outstanding contributions not only to the Senior Class, but to the entire student body.

For the short time that he has taught at Port High, he has been outstandingly active in school affairs. He has employed his dramatic skills in directing the play "Off the Track" and assisting in the production of the musical "West Side Story." He has devoted three years to coaching the Junior Varsity football team. He has instilled a high degree of morale and school spirit into his boys that have enabled them to "chalk up" the greatest victory of all—satisfaction in one's self and the knowledge that they did their best.

He also has vivid artistic talents and has contributed greatly to the success of the Junior High Art Club. In the classroom he is respected both as a friend and as a teacher. In the words of one student, "You try to do your best not because of a grade, but because he has aroused your creativity and helped you see how to express it." He stresses originality and respects the views of his students.

Perhaps his greatest talent of all, however, is his warm, radiating personality. His humor, which has brightened many of the long school days, is matched only by his deep sincerity and regard for others. He is well liked by both the student body and the faculty.

He is a native of Springfield, Pennsylvania, and graduated from Springfield High School. He attended Edinboro State College where he received a Bachelor of Science Degree. He is currently doing graduate work at St. Bonaventure University in the field of guidance. He is interested in water sports, spends much time as a lifeguard, and is noted for his deep suntan. Automobiles also rank highly as one of his hobbies.

We are privileged and honored to dedicate the 1966 *Tiger Lily* to Mr. Ronald Sturga.

Showing signs of perplexity at the flash of the camera, Mr. Sturga is seen going between classes. His great height makes him easily distinguished in the crowded halls.

A smile is one of Mr. Sturga's becoming features. Even early in the morning he appears quite cheerful.

Individual help from a teacher is always valued. Mr. Sturga is advising Carl Bachman on some drawings.

ADMINI AND FAC

STRAT^{ION} ULTY

HIGH SCHOOL PRINCIPAL

Mr. Rackish assumed responsibility as principal of our school in 1964. Since then he has united his ideas with those established in the school to create a more efficient educational program. New rules and regulations have been introduced to meet the continuous challenges in all facets of school life. These rules have been administered firmly but with respect for the individual. He sees that the best possible courses are made available to all students. Mr. Rackish has used his perseverance and judgment to create an atmosphere conducive to learning.

SUPERINTENDENT

Being superintendent of schools in the Port Allegheny School District, Dr. Albert Skelton has various responsibilities. He holds the position of Administrative Officer for the Board of Education, and is therefore directly responsible to the Board for both the elementary and the secondary schools.

Dr. Skelton began his college education at Thiel College and there he received his Bachelor of Science degree. He then obtained his Master of Education degree at Allegheny College. Just recently Dr. Skelton received the Doctor of Education degree at the University of Pittsburgh. He is President of the Rotary Club and is quite active in Rotary Club projects. He is also an avid skier and a member of the Ski Patrol at Denton Hill.

FACULTY SNAPS

Mrs. Johns and Mrs. Sweeny converse outside Mrs. John's homeroom.

Teachers can be seen taking and selling tickets at athletic events played at home. Mrs. Johns and Mr. Kelsey, both of whom reside in Coudersport, took tickets when Coudersport played here. (That was also the night Coudersport lost.)

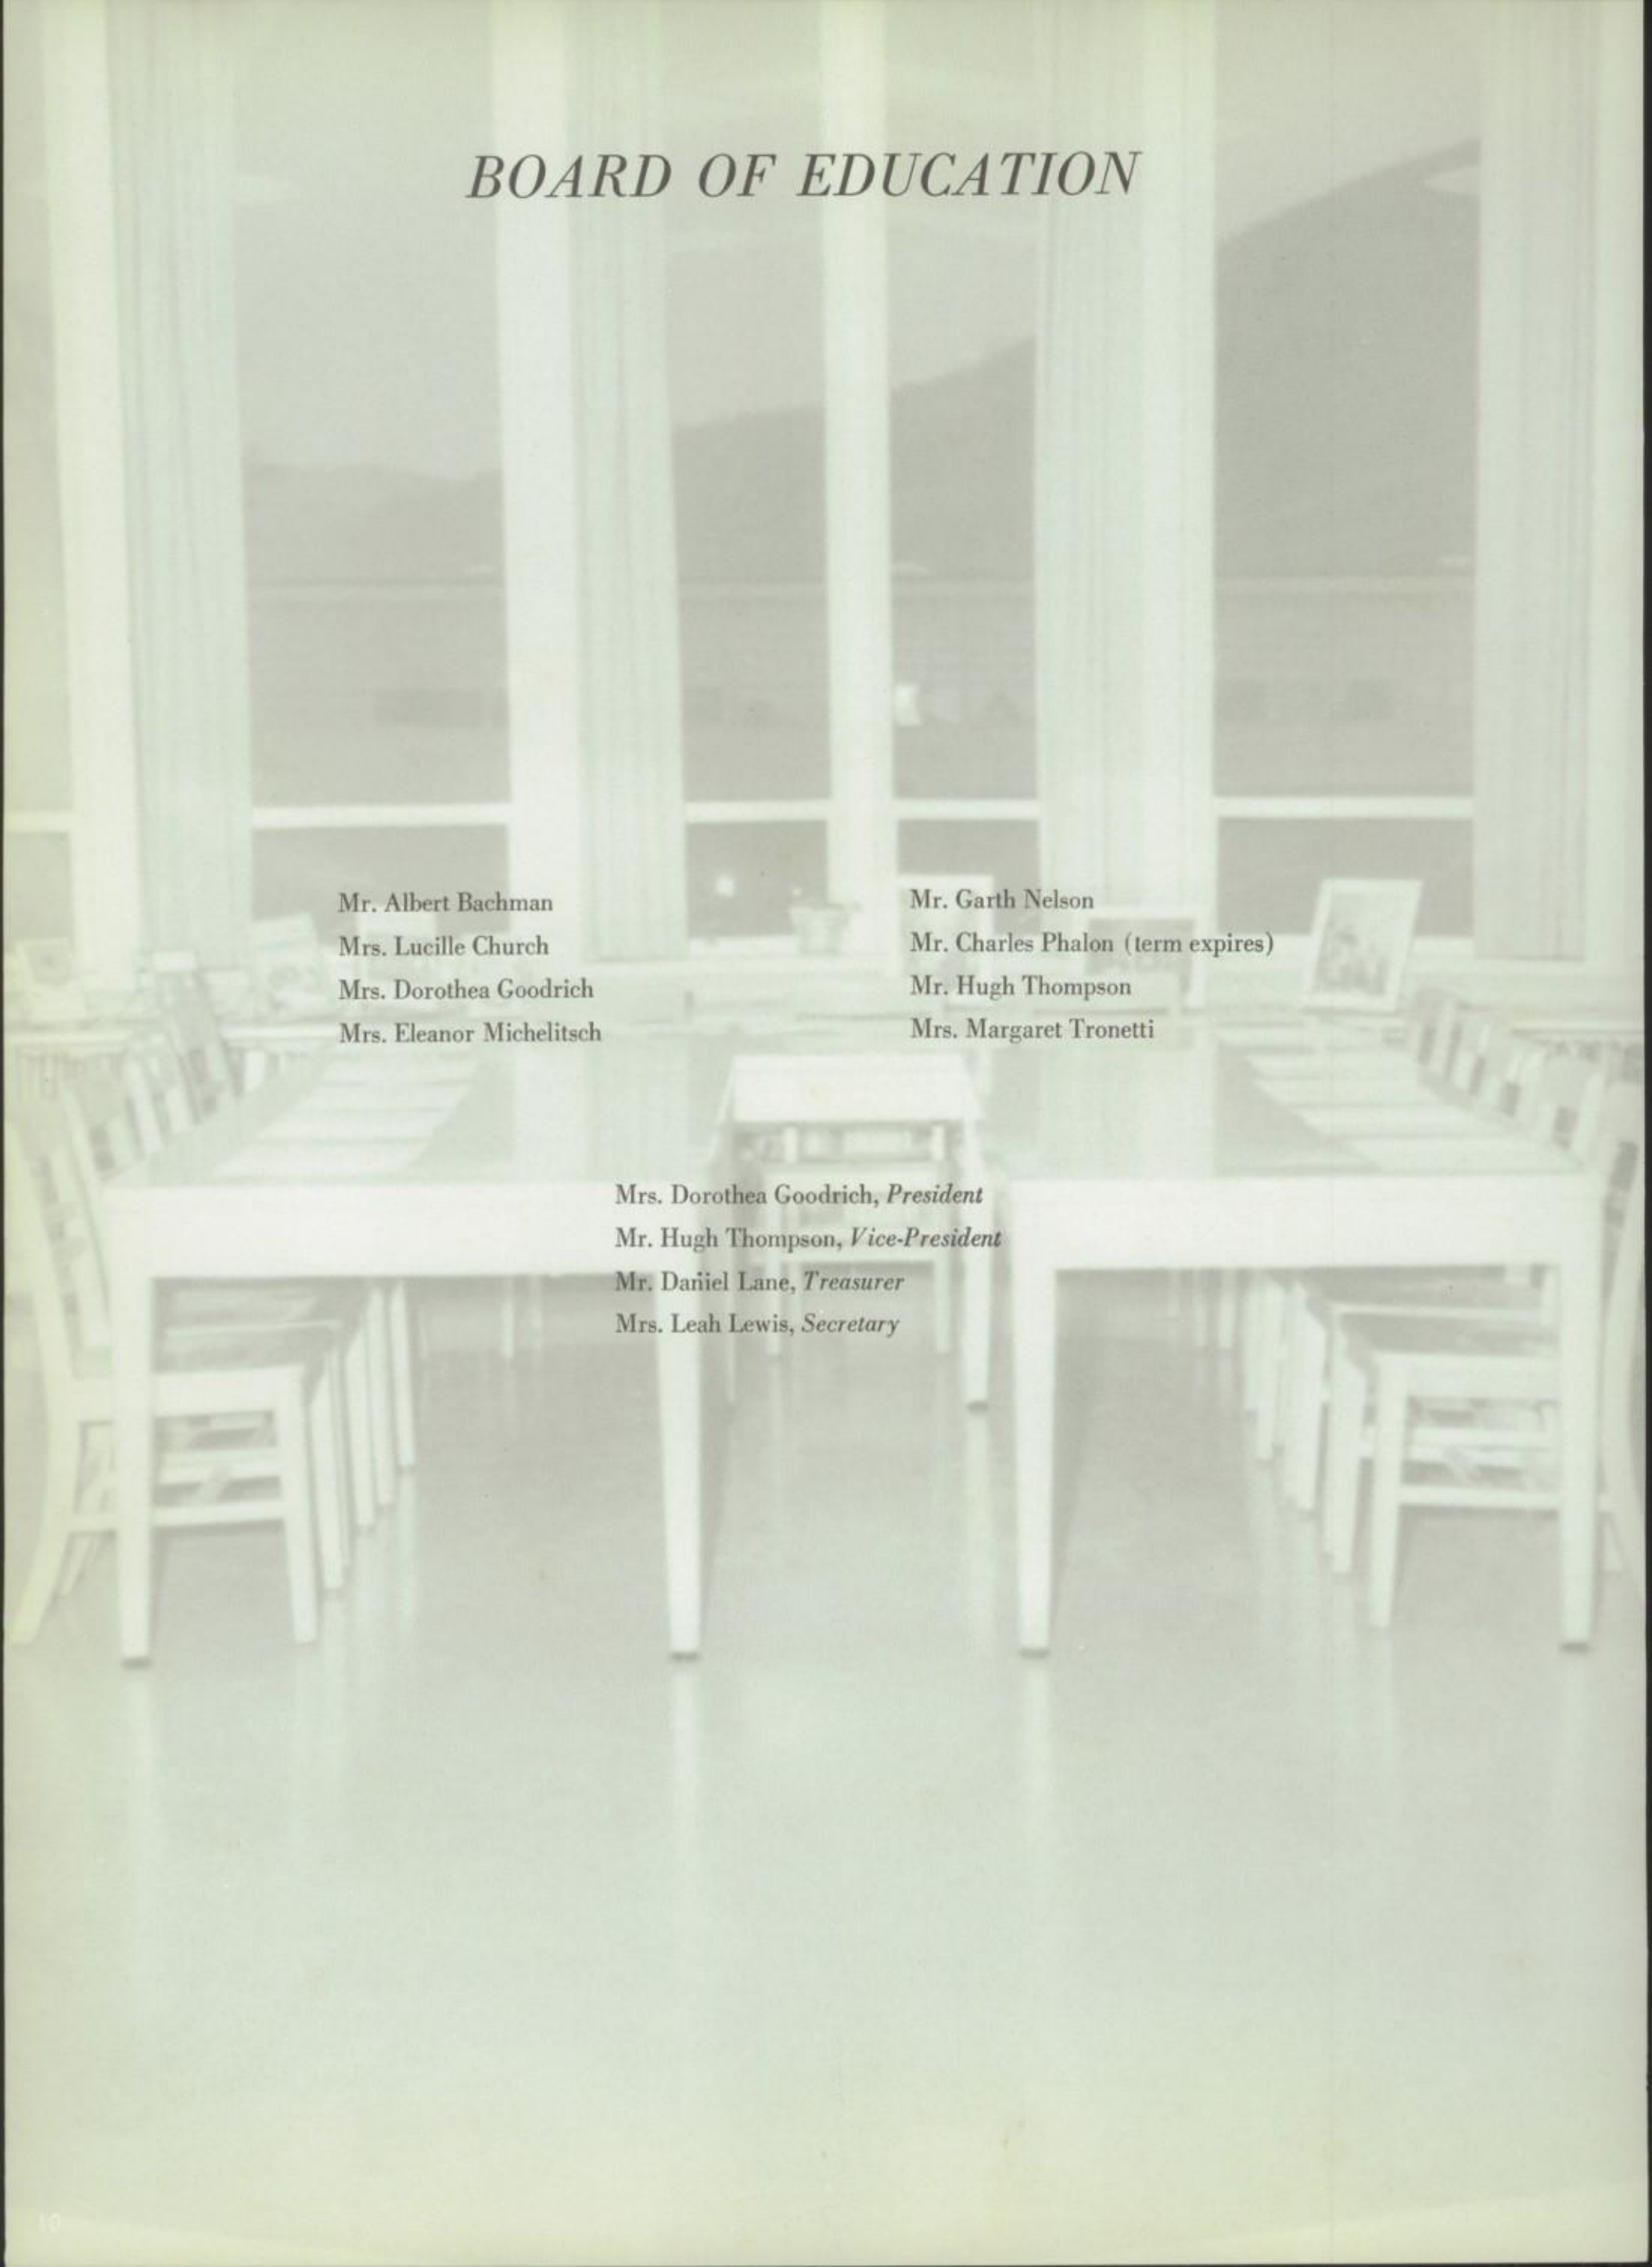

The students and teachers in the art department prepare posters for various activities. Mr. Christensen—head football coach—was caught taping a poster on a wall.

Almost every morning a group of faculty members can be seen near the end of the senior high wing. They direct traffic and discuss current events.

Mrs. Kanally and Mr. Watkins, Guidance Counselor, check details for the senior commercial girls trip to Olean Business Institute.

STOPPING BY WOODS ON A
SNOWY EVENING

Whose woods these are I think I know.
His house is in the village, though;
He will not see me stopping here
To watch his woods fill up with snow.

My little horse must think it queer
To stop without a farmhouse near
Between the woods and frozen lake
The darkest evening of the year.

He gives his harness bells a shake
To ask if there is some mistake.
The only other sound's the sweep
Of easy wind and downy flake.

The woods are lovely, dark, and deep,
But I have promises to keep,
And miles to go before I sleep,
And miles to go before I sleep.

PEP RALLY

In the past the Gator fans have frequently burned in effigy a dummy representing the Smethport Hubbers. This year, however, the dummy was "hanged" inside the gymnasium during a pep assembly. During that game, which was our only win for the season, school spirit was especially high.

CHRISTMAS SPIRIT

The tree which stood in the main foyer at Christmas time was donated to the school by the Projector Club. Several seniors volunteered to decorate the tree before the Christmas holiday. They were Carol Rowan, Cathy Newton, Denny Irons, Denny Brown, and Tom Simons.

LAUREL FESTIVAL

Combining charm and poise with personality, Miss Ann Bayline represented Port Allegany at the Annual Pennsylvania State Laurel Festival on June 18, 19 and 20. Ann was in competition with sixty-seven representatives from communities throughout the Commonwealth, and she participated in activities which included tours, parades, a dance, and other events. She was escorted to the Coronation Ball by Thomas Garthwaite. Ann was grateful for the opportunity to represent us and we feel she was a very worthwhile part of the Festival.

FLAMING FOLIAGE

Chosen by her classmates for her pleasant personality and charm, Miss Nancy Herger represented the Port Allegany Union High School at the Flaming Foliage Festival held at Renova, Pennsylvania, on October 9 and 10. On the 9th, Nancy competed with the other girls in an afternoon parade. A banquet was held in the evening which was followed by the Queen's Ball. The following day, the crowning was held at Bucktail Area High School, Renova.

The Juniors bade farewell to the Seniors with "Bon Voyage" as the theme of the 1965 Junior-Senior Prom. The decorations in the gymnasium included a lighthouse as the centerpiece and a ship's deck as the queen's throne. Queen Mary Thompson and her court, Dee Ann Johnson, Donna Barnett, Ann Bayline, Joan Herger, and Linda Manning entered the gym walking on a red carpet. Music was furnished by the Esquires from Mansfield State College.

Chipper and Calee enter the Prom.

Couples dance to the music of The Esquires.

The Lighthouse represented the Prom theme of "Bon Voyage."

"The orchestra cost WHAT!"

The centerpiece represented the theme of "Voyage to the Bottom of the Sea."

"Boy, those cookies sure look good!"

1965 SOPHOMORE HOP

Music for the Hop was provided by the Aerovons.

"Well, can you think of anything better to do?"

1965 MAY FESTIVAL

READ ALL ABOUT IT!

Already the ideas are "taking shape."

The results of these ideas are typed, run off the mimeograph machine, and checked by the proofreaders for errors.

Finally the pages are stapled together to complete the newspaper.

The pages are then sorted to form each newspaper.

DEBATING CLUB

The Debating Club is for students in grades nine through twelve. Two topics which have already been debated are the grading system and the abolishment of capital punishment.

STUDENT COUNCIL

The Student Council consists of three officers elected at large and one representative from each homeroom. The officers are Craig Johnson, President, James Hoffower, Vice-President, and Nancy Herger, Secretary. The main project of the Student Council this year has been the Student Code of Dress. The advisor for the Student Council is Mr. Gebler.

IOWA TESTS

The Iowa Tests were administered to all tenth grade students during December, 1965. These tests are designed to measure the general educational development of the students. The results of these tests are used by teachers to aid the students in the selection of high school courses, and to some extent, in the choice of vocation.

SENIOR HIGH CHORUS

The Senior High Chorus is composed of students from the tenth, eleventh and twelfth grades. The chorus meets twice a week to practice numbers for County, District and State choruses, and for other occasions. In December, 1965, the chorus presented a concert of Christmas carols and selections from Handel's "Messiah."

JUNIOR HIGH CHORUS

The Junior High Chorus is open to students in the seventh, eighth, and ninth grades. This chorus, as the Senior High Chorus, meets once a week to rehearse program numbers. The Junior High Chorus presented its Christmas program on the same night the Senior High concert was given.

Senior High Chorus meets every Tuesday and Thursday in the auditorium to practice under the direction of Mrs. Dunn.

District Chorus was held this year in Huntingdon, Pennsylvania. The members selected to participate were Martha Williams, Wendy Cooper, Christine Anderson, Tim Howard, Gladys Pfeil, Jim Jewart, Jon Healy, and Ellen Hines.

The Junior High Chorus meets on Friday morning during the school week to rehearse. Mrs. Dunn is the choral director.

PORT ALLEGANY UNION

Fifty-one instrumentalists comprise the Port Allegany Senior High Band which is under the direction of Mr. John Moyer. The officers are Ellen Hines, President; Craig Johnson, Vice President; Cheryl Leonard, Secretary; and Karen Niles, Treasurer.

The majorettes are considered to be the personality of the marching band. They add color and variety to the marching band. They are (left to right) Cathy Todd, Becky VanSickles, Brenda Tauscher, Lorretta Young, Alberta Young and Sue McElwee. Drum Majorette and Head Majorette were Kathleen Thrash and Linda Bashline respectively.

HIGH SCHOOL BAND

The activities of the year included football half-time routines, parades, a winter concert and a spring concert. In addition, a number of students participated in county, district and state bands.

The Color Guard always precedes the band. This year Sharon VanGorder and Deanna Hardes were gun bearers and Gwen Kio and Alvera Fink were flag bearers.

The students who attended District Band in Smethport were Fred Pfeil, Cheryl Johnson, Gladys Pfeil, Ellen Hines, Judy Michael, Karen Hagstrom, Margaret Glesk and Cheryl Leonard. Judy Michael, and Gladys Pfeil were selected to participate with the State Band at Huntingdon, Pennsylvania.

NATIONAL HONOR SOCIETY

The National Honor Society recognizes the high scholastic achievements of a percentage of students in the eleventh and twelfth grades. Students who are elected to membership must also possess other characteristics such as high moral character and leadership. While the Society is not active as a group it is indeed an honor to be elected a member.

Election to the society is held in the spring of the year. The group to the left was elected during their junior year, 1965.

Elected to the Society in the spring of 1966, is this group of juniors.

Seniors elected to the Society in 1966, are shown below. Cheryl Leonard Eileen Winseck were also elected but were not present.

"THE ROBE"

Demetrius (Dan Kaufman) stands at attention during the feast at the palace of Pilate.

Stephanos (Craig Johnson) prepares to escort Rhoda (Sandra Bowen) to her home as the Romans press their search for Christians.

The Dramatics Club of 1965-66, in cooperation with the Senior Class, presented the dramatic play *The Robe* as the annual Senior Class Play. The play was performed on three consecutive nights—two nights for students and parents, and one night for out-of-town viewers. This play was especially anticipated by everyone as it was the first real drama produced by the students. The play was well-received by the public and was presented once again as an assembly program.

Melas (Jon Healy) and Demetrius, Roman slaves, talk about the Crucifixion. Melas plans to escape but Demetrius is bothered by the events of the Crucifixion and decides to stay.

Diana Gallus (Karen Niles), awaiting the return of Marcellus, has just learned that he has been "greatly affected" by the Crucifixion.

Lucia (Gladys Pfeil) and her father, Senator Gallio (Jim Jewart), discuss Marcellus' condition and how to help him.

DRAMATICS CLUB

"A Case for Two Detectives," a one act play, is a spoof on violence. Fred Pfeil, a detective, and Danny Kauffman, an intruder, fight because Danny doesn't like Fred's tie.

Elaine Chandler and Marti Williams wait for an atomic bomb to explode—it fails. Melvin Johnson, whom Fred Pfeil erroneously suspected as being the murderer, lies dead where Fred "took care of him."

The Dramatics Club is a relatively new club which was established two years ago. Last year the members of the club began conducting short plays for assembly programs. "A Case for Two Detectives" was presented to the school body in October of 1965. This year the Dramatics Club also has begun to produce the junior and senior plays in cooperation with the junior and senior classes. Mr. Risko, Mr. Petrisek, and Miss Cagley are the advisors of the club.

The cast for "A Case for Two Detectives" gathers for the directors comments after the play rehearsal.

CHESS CLUB

Any student in grades nine through twelve may join the Chess Club. Members who have not played chess before learn the techniques and skills of the game. Those who have played chess develop proficiency and sportsmanship.

BRIDGE CLUB

The Bridge Club familiarizes its members with the game of bridge. Students in grades nine through twelve are given the opportunity to join the club. In this picture, Mr. Howell shows Janet Covert, Sherry Tanner, Terry Jackson and Cindy Binder how their bidding is affected by the other players hands.

FUTURE FARMERS OF AMERICA

The Future Farmers of America Club is available to boys in grades nine through twelve who are enrolled in vocational agriculture. This club develops competent leadership in agriculture through many useful projects and by entering into competition with other schools.

In January, 1965, FFA members traveled to the State Farm Show at Harrisburg where they presented a demonstration of pesticide safety. Sylvester Tanner, a senior, also received the Keystone Farmer Award, the highest state award given in FFA.

INDUSTRIAL ARTS SERVICE CLUB

The Industrial Arts Service Club is open to boys in grades nine through twelve who are enrolled in the regular industrial arts program. The student must be maintaining a passing grade in industrial arts to qualify for membership. As some of their projects, the club members sponsored dances, rebuilt a car engine and overhauled a car which was given to the club.

FUTURE NURSES OF AMERICA

The activities of the Future Nurses Club are designed to enable members to explore career opportunities in nursing and other health fields.

Discussions were held on nursing topics and films were shown that illustrated various aspects of health care.

FUTURE TEACHERS OF AMERICA

The Future Teachers of America Club is concerned with familiarizing students with the techniques of teaching. Several projects have been decided on for 1966. They include: attending the state convention in March; going on a field trip to a nearby college to view different teaching facilities; and inviting the President of the F.T.A. from Coudersport to be a guest speaker. The aim of the F.T.A. is to encourage students to pursue career opportunities in teaching.

FUTURE HOMEMAKERS OF AMERICA

The Senior High Future Homemakers of America consists of girls in grades ten, eleven, and twelve who are enrolled in the homemaking course. These girls work on projects for themselves and their families.

During January, the girls attended the State Farm Show at Harrisburg where Deanna Hardes' wool-synthetic dress entry was awarded third-place. Carol Klein and Deanna Hardes were elected president and third vice-president, respectively, of the 1965-66 County Chapter, FHA.

The Junior High Future Homemakers of America Club is available to any girls in the seventh, eighth, and ninth grades. These girls have completed such projects as making favors for the hospital, working in the fashion show, and going Christmas caroling. The girls also attended the county FHA banquet.

SEVENTH GRADE GIRLS' CLUB

The members of the Seventh Grade Girl's Club are interested in creating a better community. One of their projects was covering boxes with Christmas wrapping for use at the McKean County Home. Another was preparing Easter baskets for children.

MATHEMATICS CLUB

The Mathematics Club is for students who are interested in mathematics and who have at least a B average in math. An activity of the club is examining a Minivac 6010 digital computer designed to teach circuits and principals of programming.

PROJECTOR CLUB

Members of the Projector Club learn proper procedures for operating the school's audio-visual aid equipment. They also conduct various projects such as selling raw peanuts and planting evergreen trees at the Community Park. The club members are active and spend considerable time working with the equipment. Here they are shown with their sponsor Mr. Watkins and the overhead projector.

PHOTOGRAPHY CLUB

The Photography Club enables students to learn basic procedures necessary to process film and print photographs. The members have access to the darkroom and the equipment there such as enlarger, washer and dryer. Because time and facilities are limited, a member must work after school to get a picture completed.

The members are shown here experimenting with portrait photography using the school's 4 x 5 press camera and a tripod.

TRI-HI-Y

The purpose of the Tri-Hi-Y is to help the girls in self-improvement and in furthering Christian fellowship. At Christmas time, the girls filled stockings for underprivileged children of the area. They also sponsored a Junior High Dance.

VARSITY "P" CLUB

The Varsity "P" club is dedicated to recognizing athletic prowess through awarding either a sweater or a jacket, in school colors, to those athletes who meet the club's requirements. The club members, all varsity lettermen, raise funds for the awards by operating the concession stand during football season. Mr. Babcock and Mr. Stayer are the club advisors.

Loren Card, Jim Hoffower, Mark Carlson, Ron Caskey, Gregg Harris, and Jim Osani are shown leading the students in a cheer during the pep assembly for the basketball game with Austin. It was the best cheer of the assembly.

BIOLOGY CLUB

The aim of the Biology Club is to give the students a better understanding of biology through field trips and projects. Linda Bickford, Joey Macklem, Mr. Bates, Mike Niles, and Mr. VanScooter are examining equipment for making microscope slides.

SPANISH CLUB

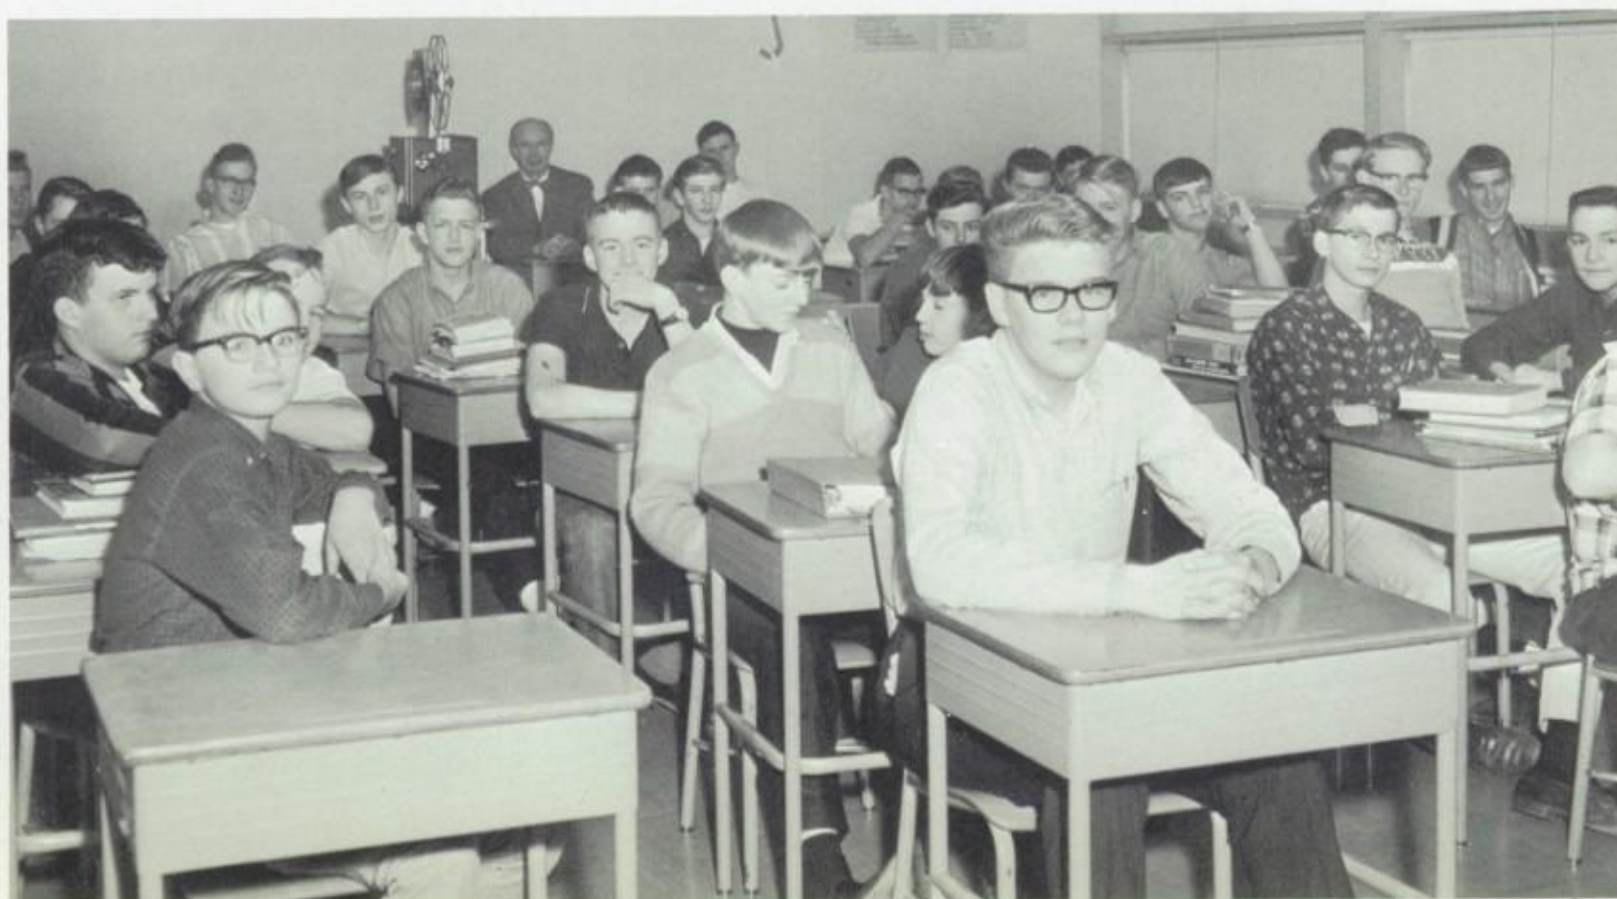

The Spanish Club was organized to acquaint the students with the language, the people, and the customs of Spanish-speaking countries. Here, Mary Tucker and Ronnie Williams dance the Mexican Hat Dance during a club period.

CONSERVATION FISH AND GAME CLUB

The Conservation Fish and Game Club instructs its members in the proper use of fire arms, the fish and game laws, and the conservation of natural resources. The above photograph is the Junior High Club. The president is Bob Sherwood. The photograph below shows the Senior High Club waiting to see *Fishing Fantastico*, a color film of fishing in Argentina.

ART CLUB

The members of Mr. Christensen's senior high art club are busily designing water color abstracts as one of their projects.

Mr. Sturga's Junior High Art Club students sketch their impressions of Orson Wells' "War of the Worlds."

The Junior High Art Club listens to Mr. Sturga describe the Austin Flood after which they portrayed "how it must have been."

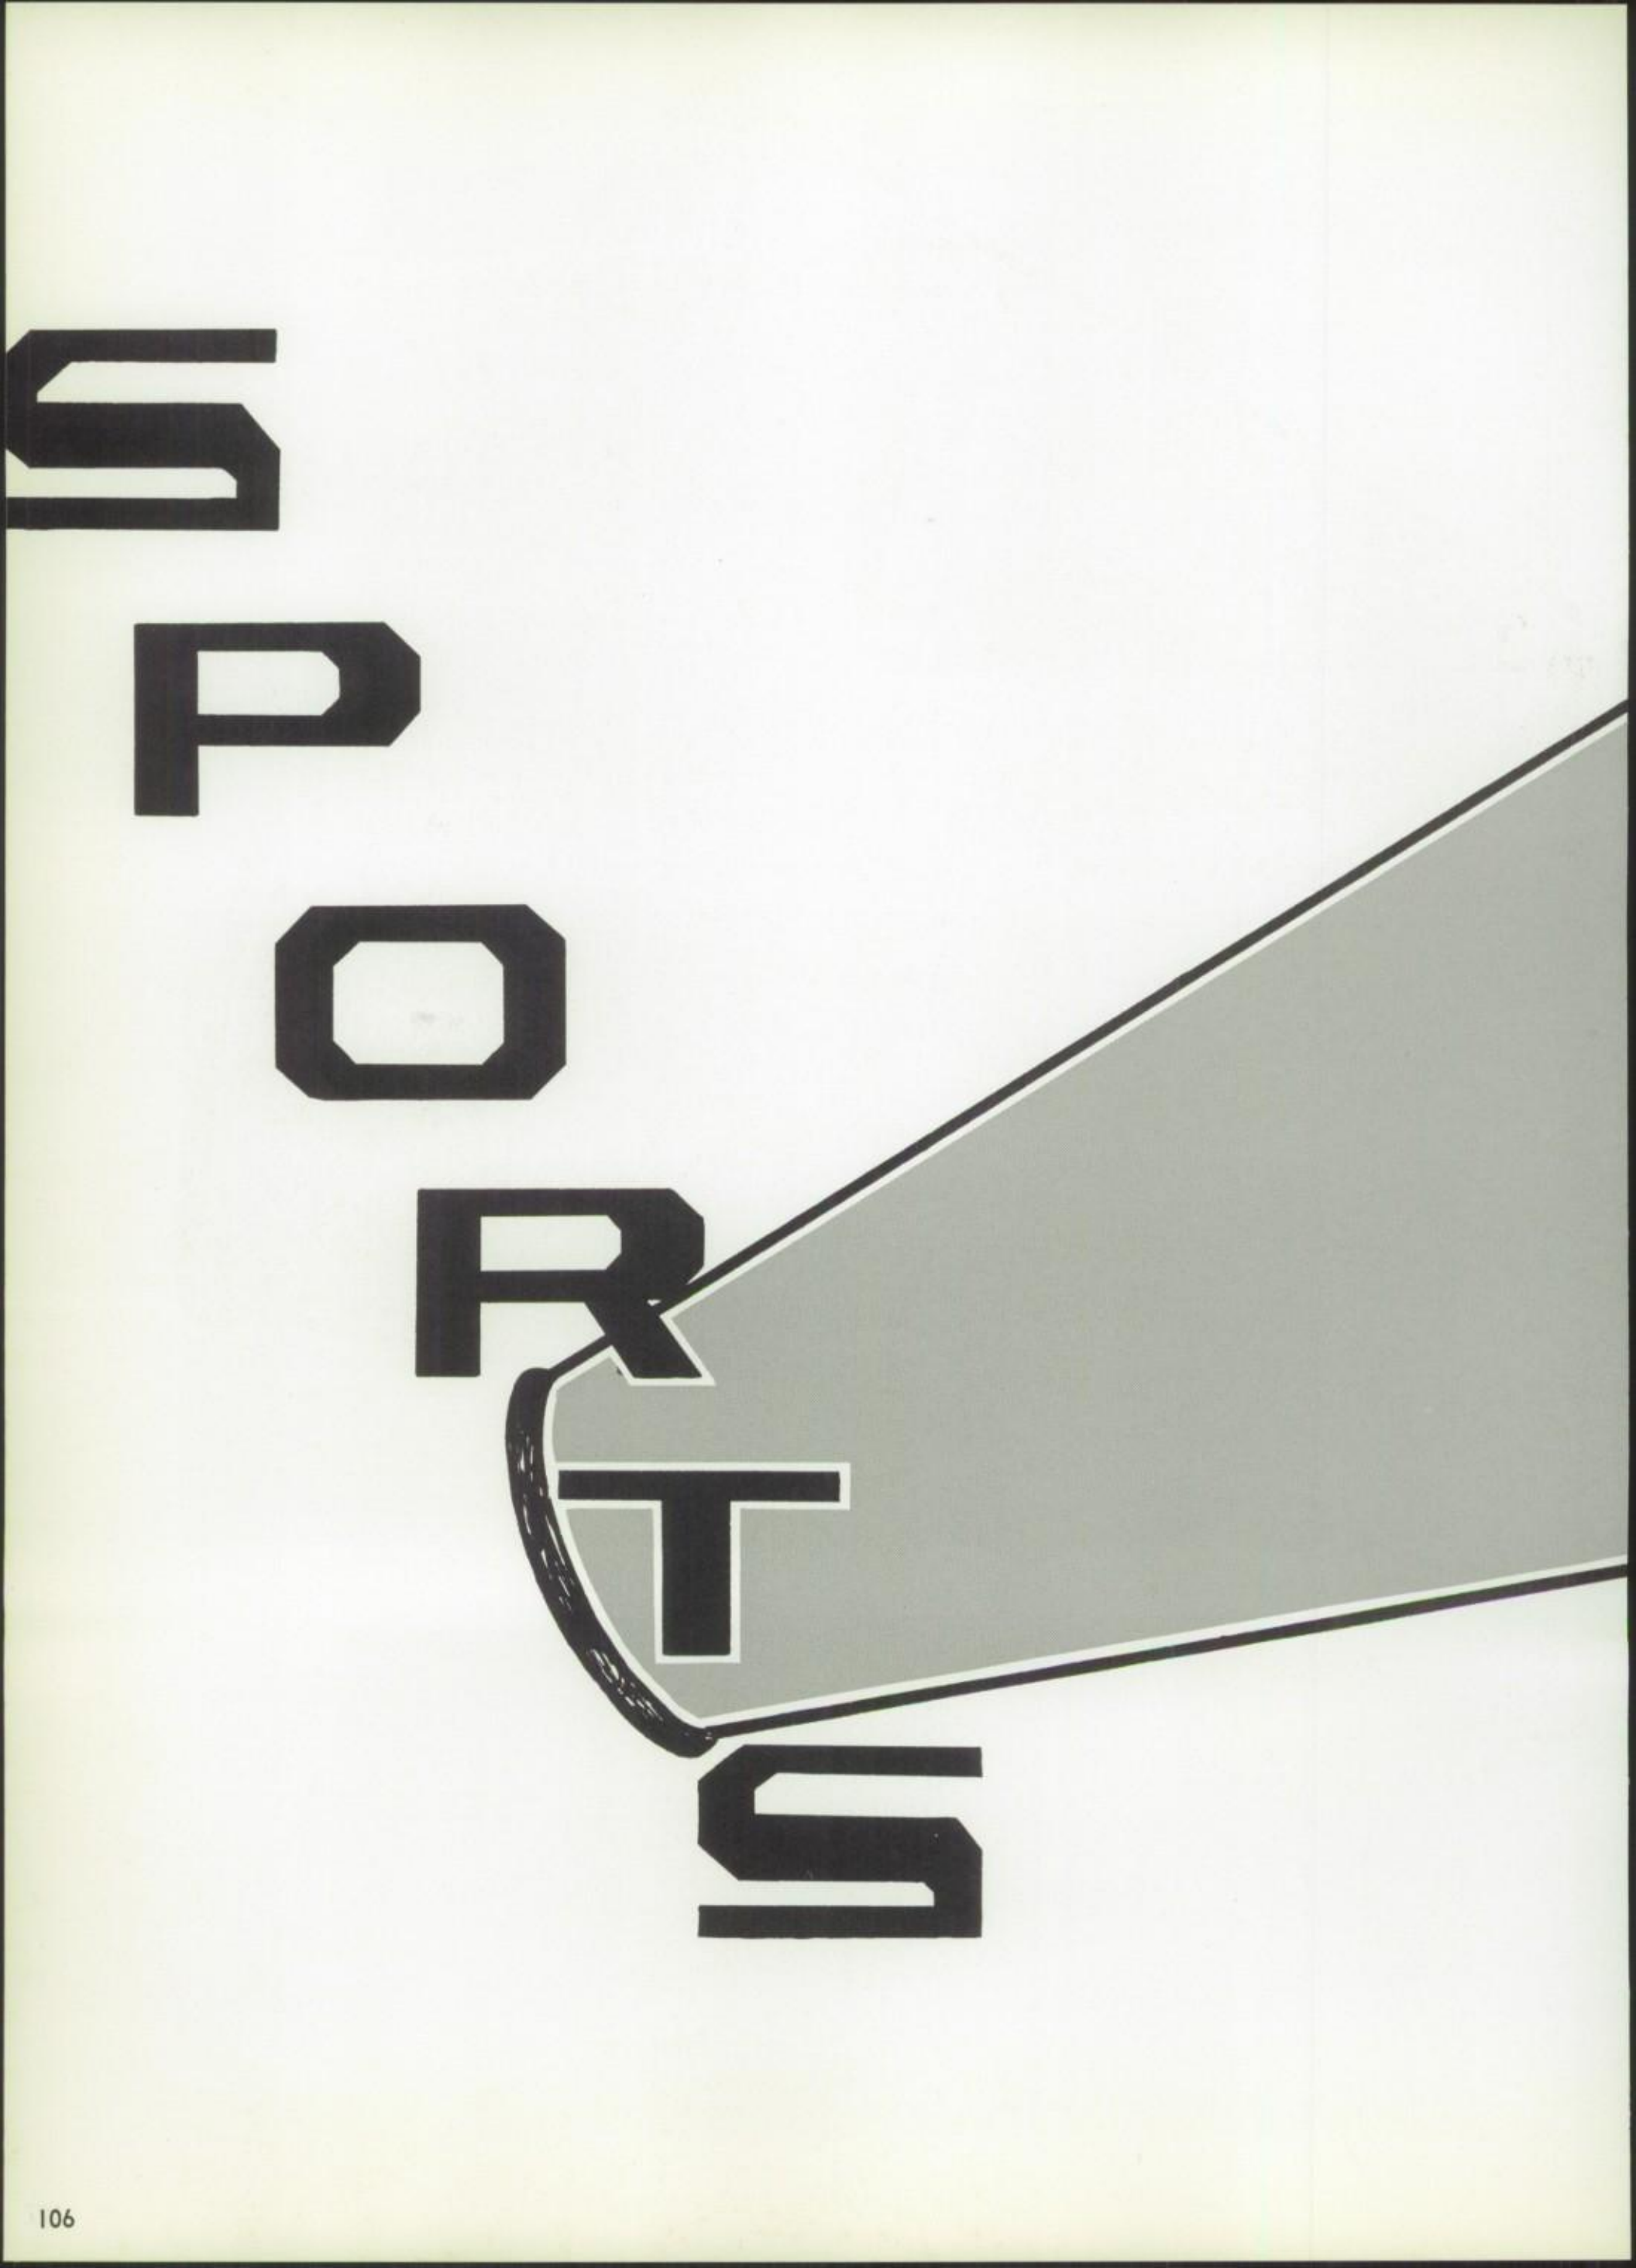

JUNIOR HIGH DANCE

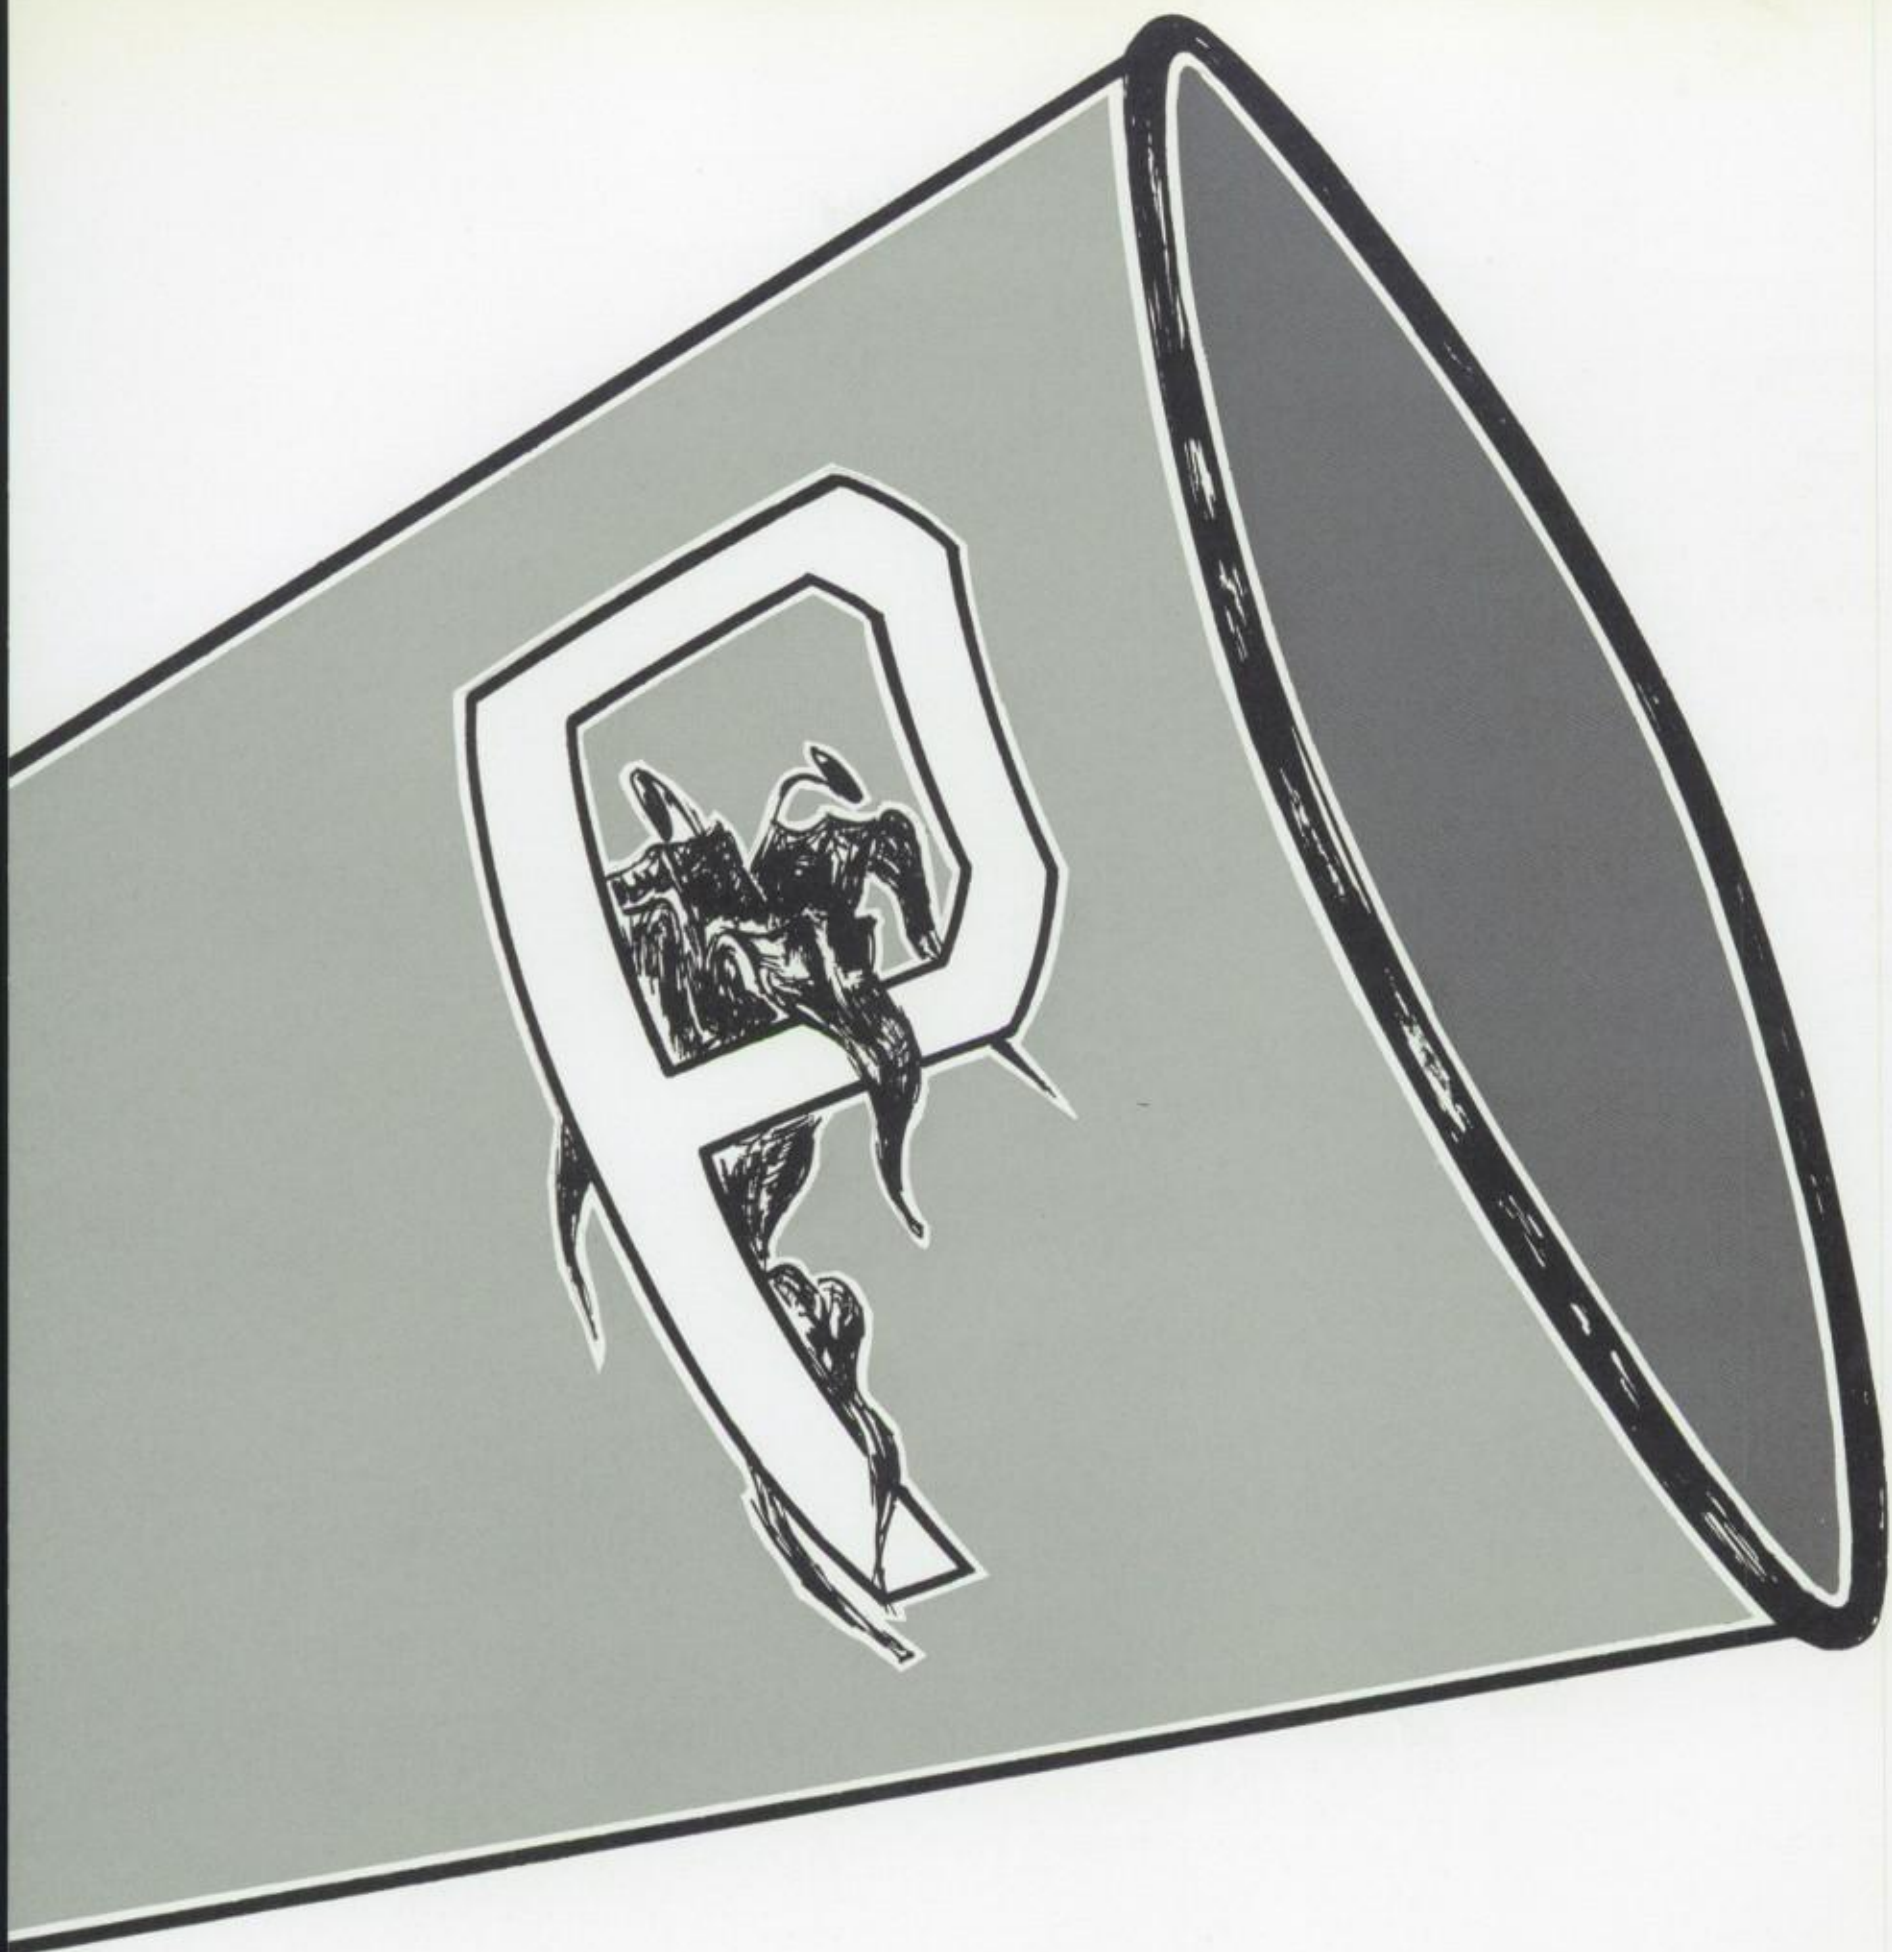

The junior high dances are for the seventh, eighth, and ninth grades. Usually, there is a dance about once a month in the gymnasium for the entertainment of the students. This dance was sponsored by the Junior Homemakers of America and lasted from eight until ten-thirty.

This evening's "extra" was live music presented by a new group, the 004. From left to right are Joe Macklem, Kim Besheer, Gary Foster, and Kim Klein.

SPORTS

The page features a large, bold, black serif font spelling out the word "SPORTS" diagonally from the top left towards the bottom right. The background is split diagonally from the top right to the bottom left. The upper-left portion is white, and the lower-right portion is a solid light gray. A thick, black, hand-drawn style curved line starts near the letter 'R' and sweeps downwards and to the left, ending near the letter 'S'.

A good comparison of reaction time.

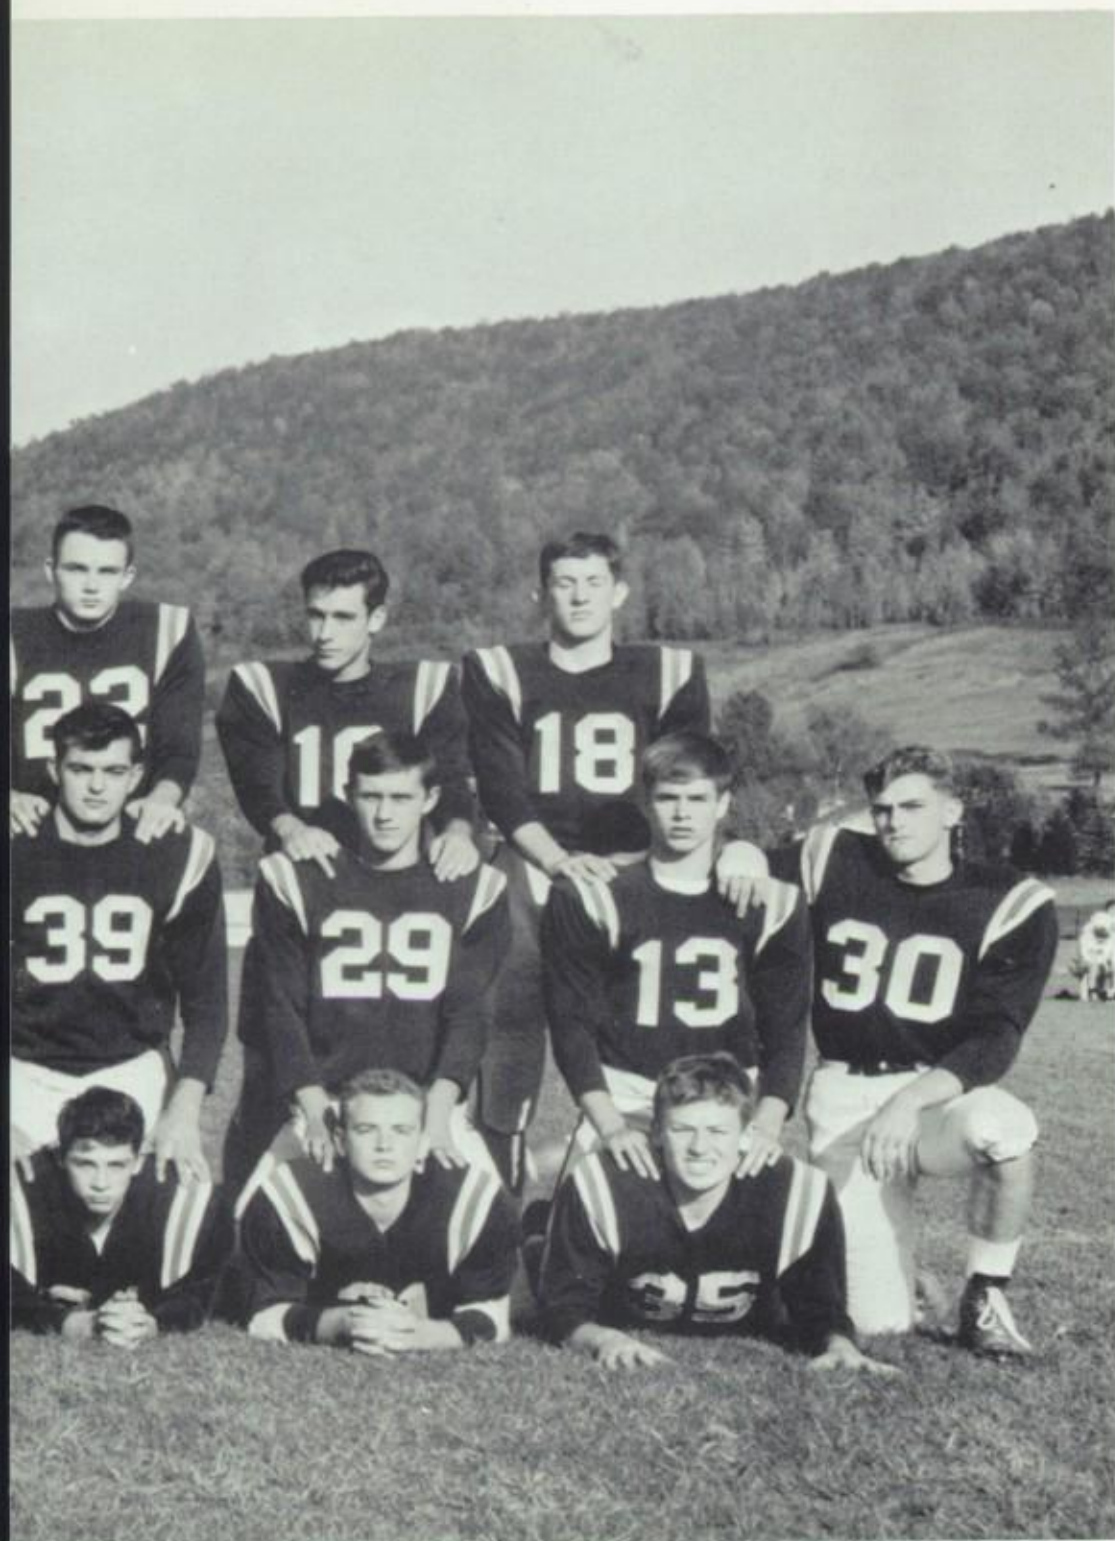

The Varsity coaches Mr. Saiers and Mr. Christensen instructed and coached the players for about three and one-half months. Here they show their concern during a game.

The Gators experienced a rough 1965 season with one win and eight losses. However, the Gators did win the most important game of the season against our traditional rivals, the Smethport Hubbers.

New head coach Mr. Christensen and assistant coach Mr. Saiers greeted a group of mostly inexperienced boys. There were only five senior boys on the team.

FRESHMAN FOOTBALL

The 1965 Freshman team, coached by Mr. Borro, had an extremely successful season, losing only one game. Most of the teams they played were from much larger schools, yet the boys' high spirits and determination enabled them to finish the season in a three-way tie for first place with Bradford and Salamanca in the New York-Pennsylvania League. The team scored 16 touchdowns during the season but had only 2 touchdowns scored against them—an enviable record.

Don Patton, senior manager, has his assistants Don Major, Dan Major, Jim Schroll, Kevin Lloyd and Dan Lane counting and stacking shoulder pads in the "dungeon". A good manager is one of the most important parts of the team. His job is thankless and yields little glory. He carries the equipment out, then in; he counts the helmets and lines the field. Then, when the players have all gone home there is still the locker room to be swept once more.

Having received the pass, Ron Caskey ran for a touchdown against Emporium.

Here are some important people behind the scenes. Dr. Niles and some student managers watch the game from the bench.

Loren Card passes to Jerry Reynolds as they work the ball in against second-place (AML) Coudersport. With the game tied 24-24, Gator fans felt the excitement as the Gators made four successful foul shots in the last 30 seconds to win by 4 points.

Mark Carlson makes a successful lay-up against Emporium.

Mr. Babcock coaches the boys during a time-out.

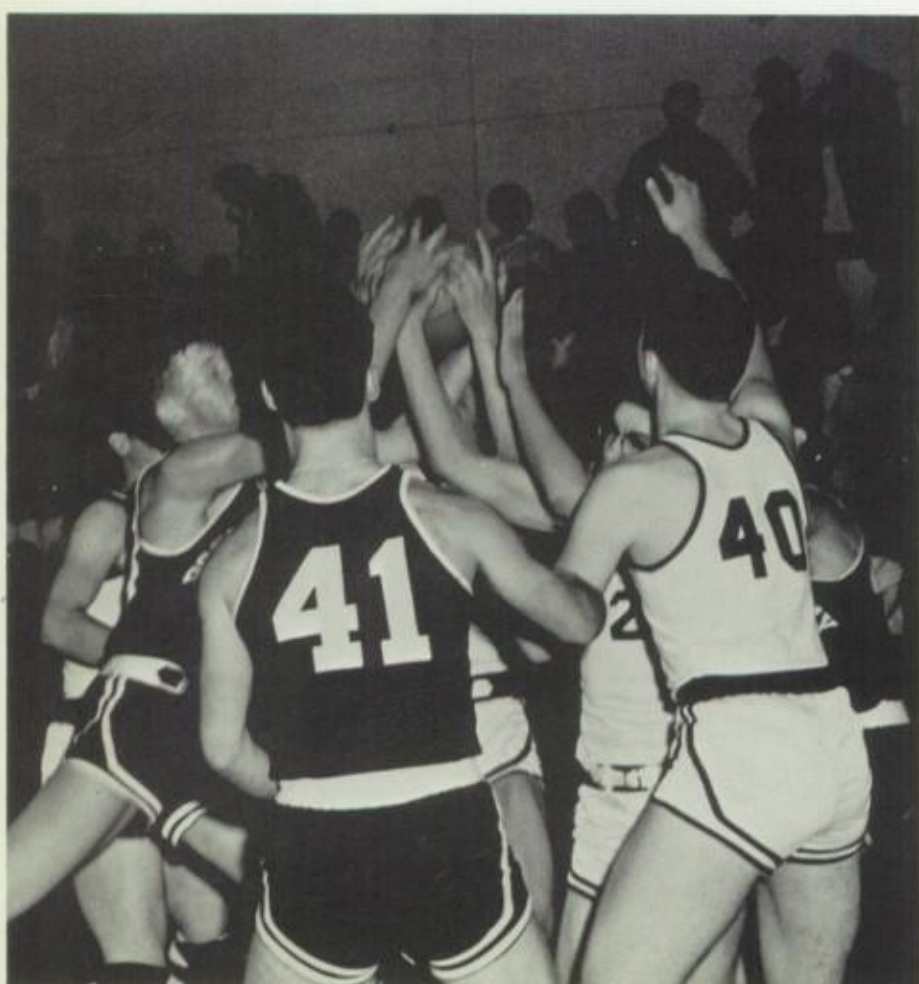

Jerry Reynold's jumping ability compensates for his lack of height.

The Gators and Emporium Raiders tussle over the ball. Here Mark Carlson struggles over the ball.

Ron Caskey, a junior, goes up for two points. Ron scored 31 points against Emporium.

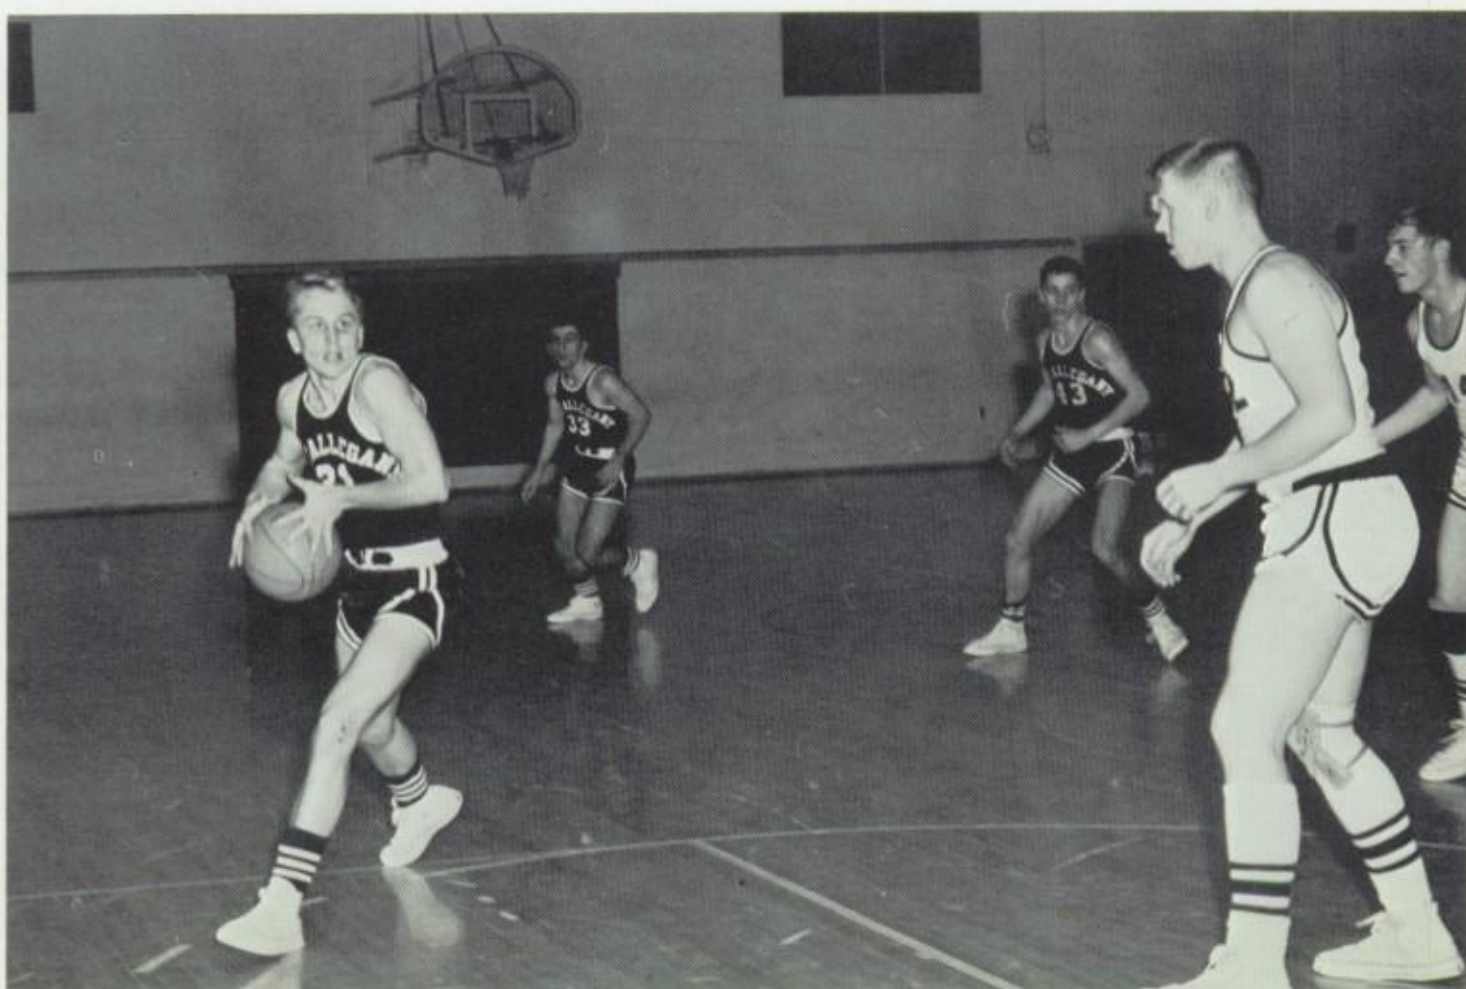

Working hard, the Gators fight for possession of the ball against Smethport.

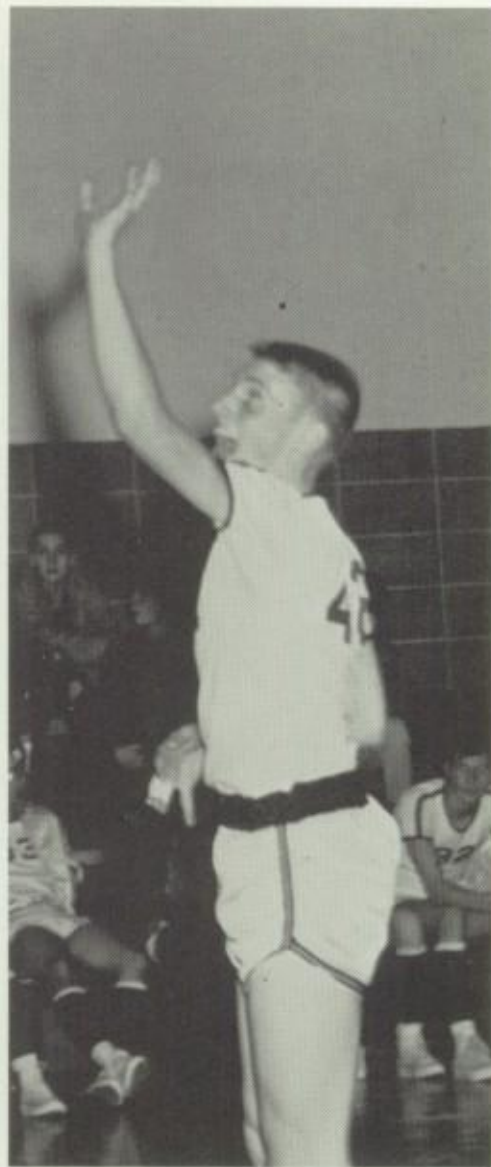

Mark Carlson does a good job at guarding a Hubber. Mark obtained much experience which will help the Gators next year.

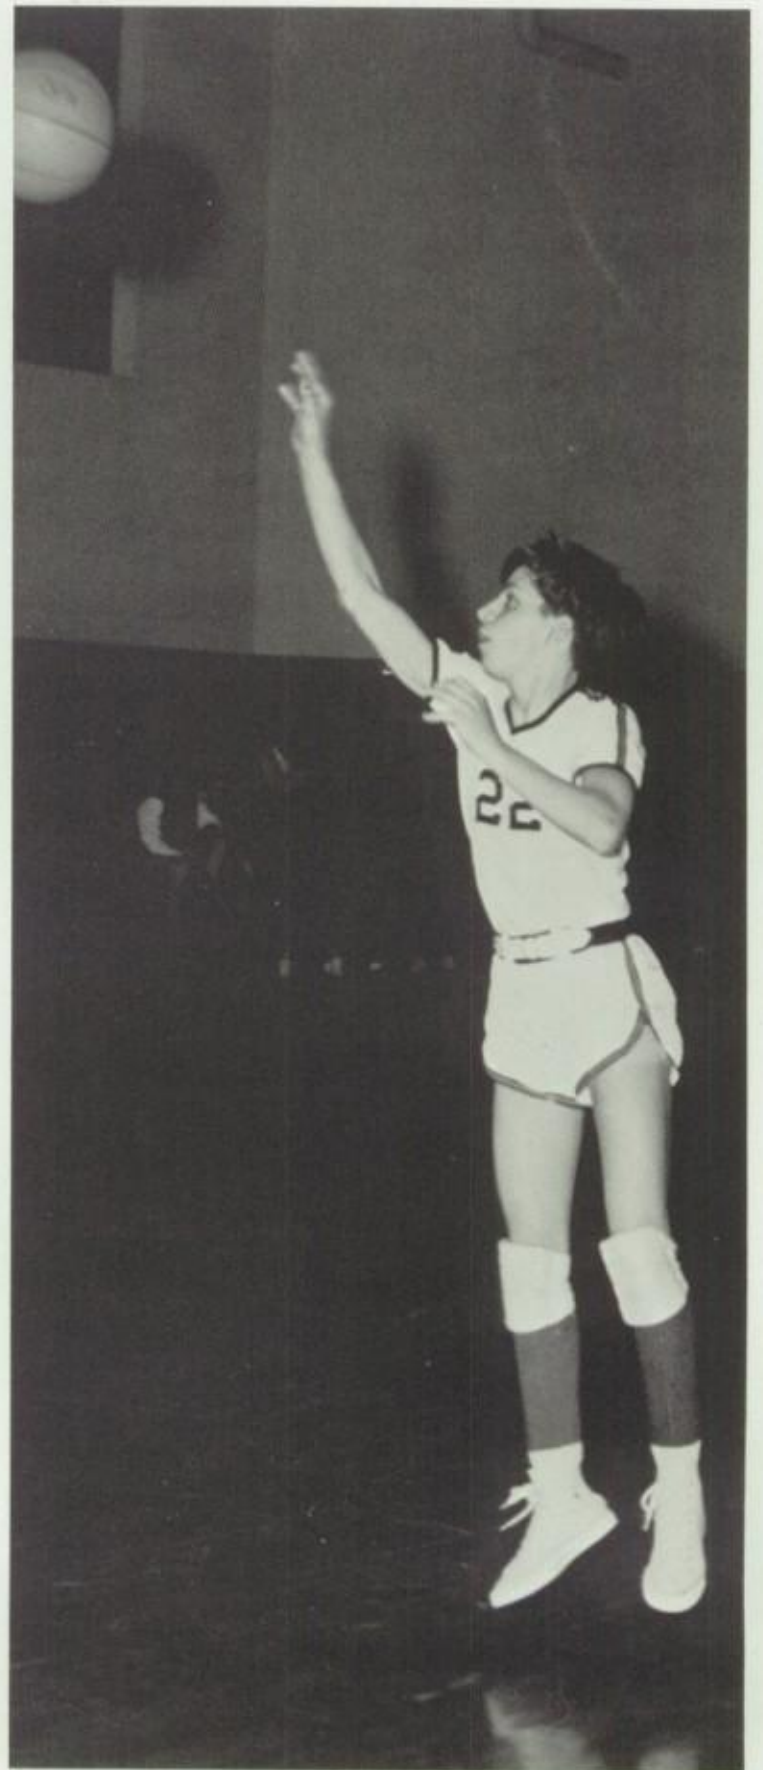

Jim Hoffower shoots from the middle of the floor.

Although it appears as though there is glue on the ball, Greg Harris, a sophomore who played on the Varsity, is really searching for an opening through which to pass the ball.

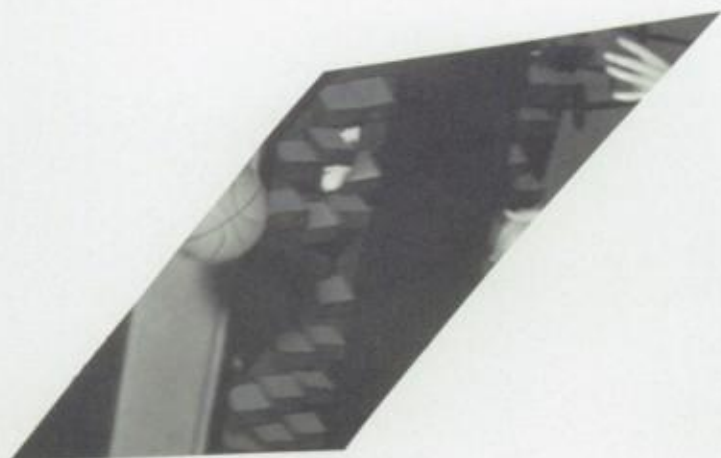

Don Major makes a basket against Emporium.
Ted Anderson, a sophomore, makes a foul shot.

Rick Parsons shoots for two more points.

Dave Turner jumps against the Falcons
on our home court.

Kim Klein jumps against Smethport during a Freshman game officiated by Mr. Baker and Mr. Risko.

All eyes are on the ball as "Butch" Fallenstein shoots from outside.

The Freshmen warm-up for the Smethport game.

GIRLS' ATHLETIC ASSOCIATION

The Girl's Athletic Association offers girls an opportunity to develop physical skills and to enjoy athletic activities. Many of the members participate on the Gym Team and must perfect routines and athletic skills for the Gym Show in the spring.

From left to right, Patty Cornelius, Cathy Phalon, Christie Besheer, Sally Stromberg, Janis Sewell, Michele Dann, Teresa Crowley, Linda Jackson, Denise Myer, Mary Crowley, and Andrea Bozzo form a pyramid.

Lori Danielson shows confidence and skill in performing a rather difficult hand spring vault on the horse. She is an excellent performer in all girls athletic events.

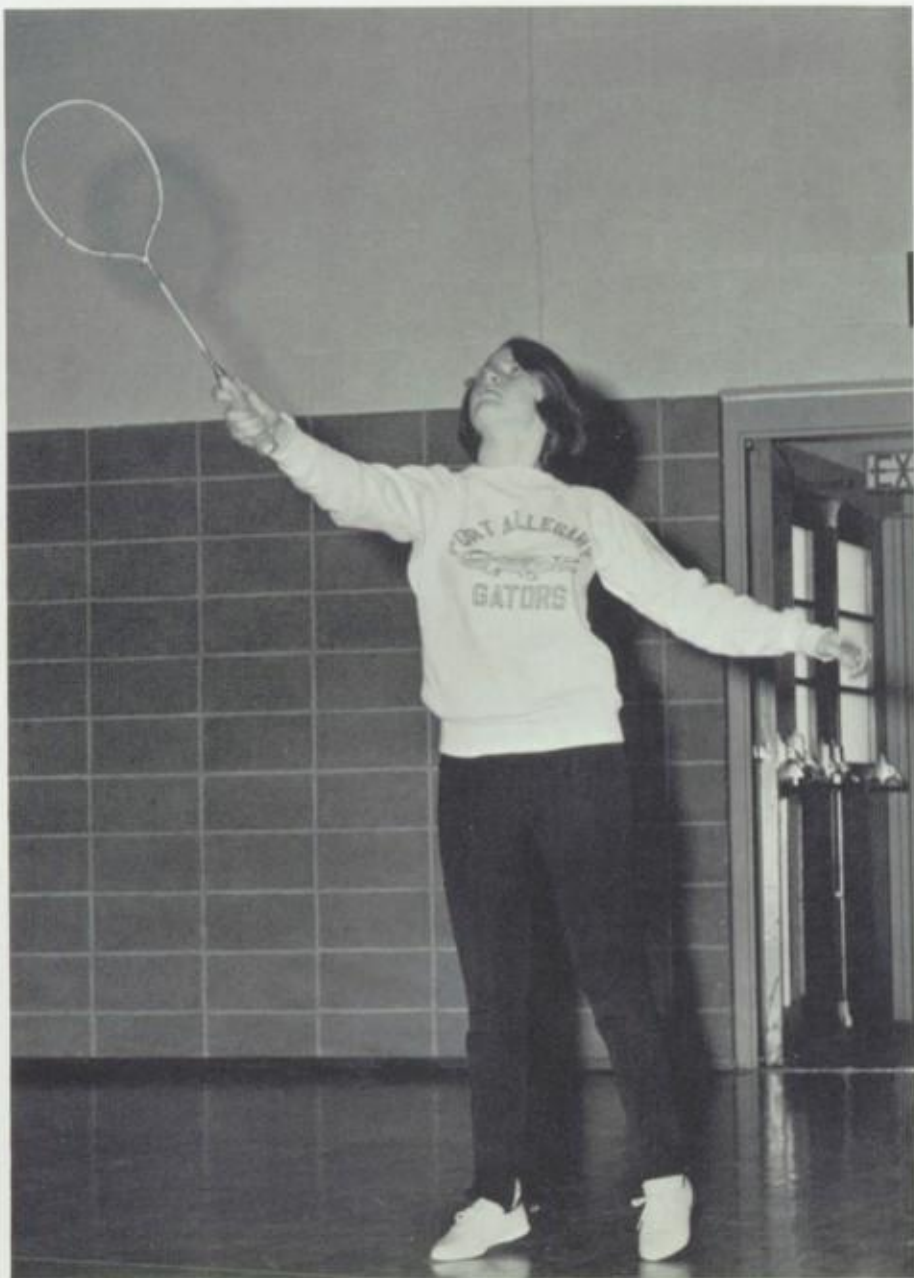

Sue McElwee does a split on the balance beam. The split starts from a standing position on the beam and requires excellent control to achieve. The balance beam is about four inches wide.

Teresa Crowley does a pike on the trampoline.

BADMINTON TOURNAMENT

For about nine weeks, the girls' gym classes develop their badminton skills. Elimination contests were then held for all girls in the junior high and the senior high. Barb Perry was the winner of the Senior High Championship, and Sandra Mitchell was the winner of Junior High Championship.

BOYS' GYMNASTIC CLUB

Greg Caskey uses quite a few of his arm muscles for walking across the small parallel bars.

Mr. Dann is the advisor of the Boy's Gymnastic Club. The club is for boys in the seventh through twelfth grades. The club is designed to promote physical fitness among the boys and to develop gymnastics as a sport in the Port Allegany High School.

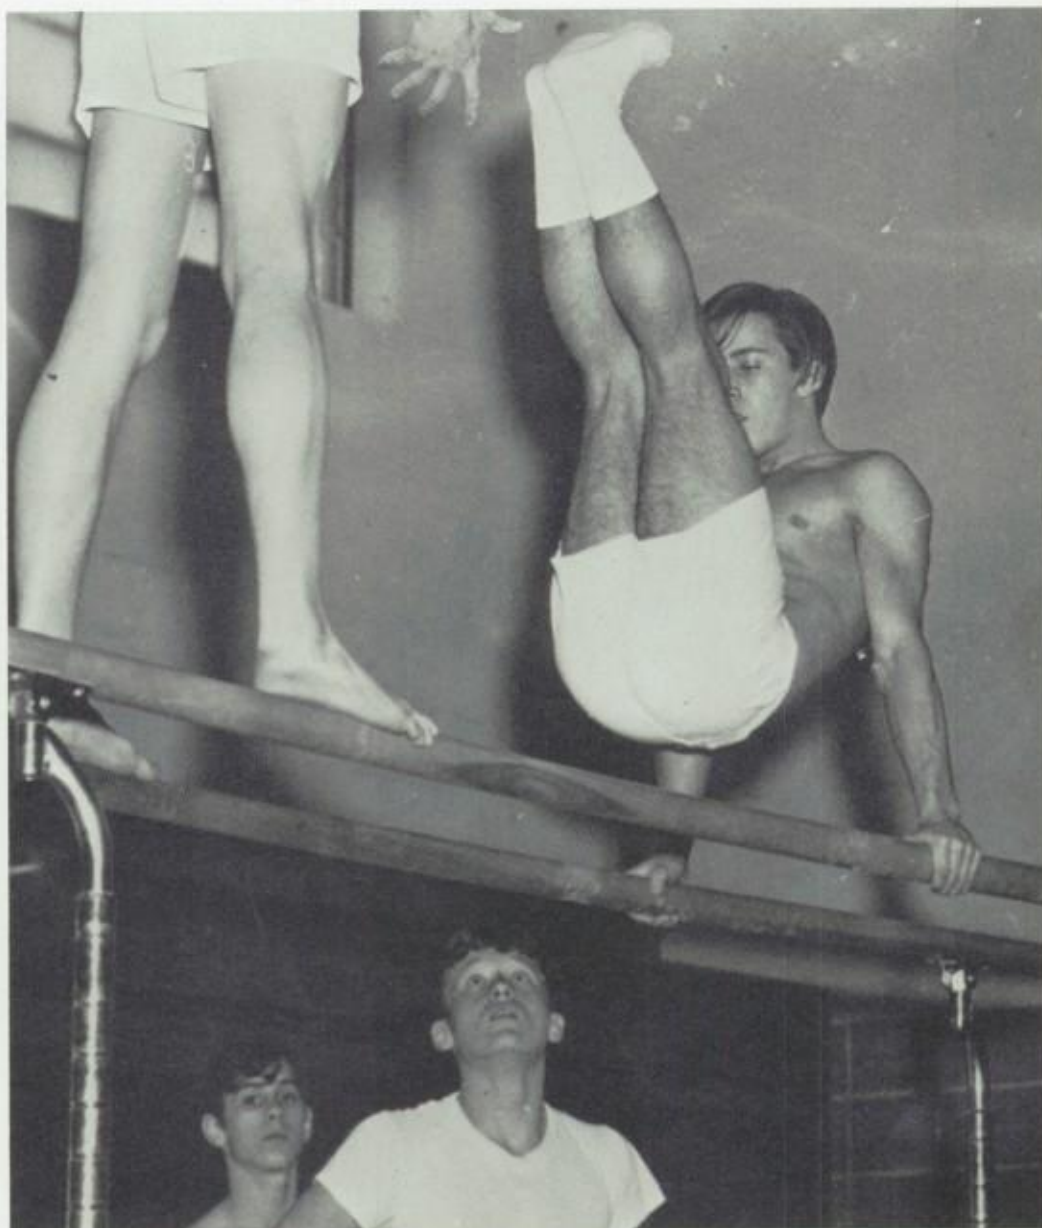

Working on the rings requires timing. Dale Caskey does a recovery on the rings.

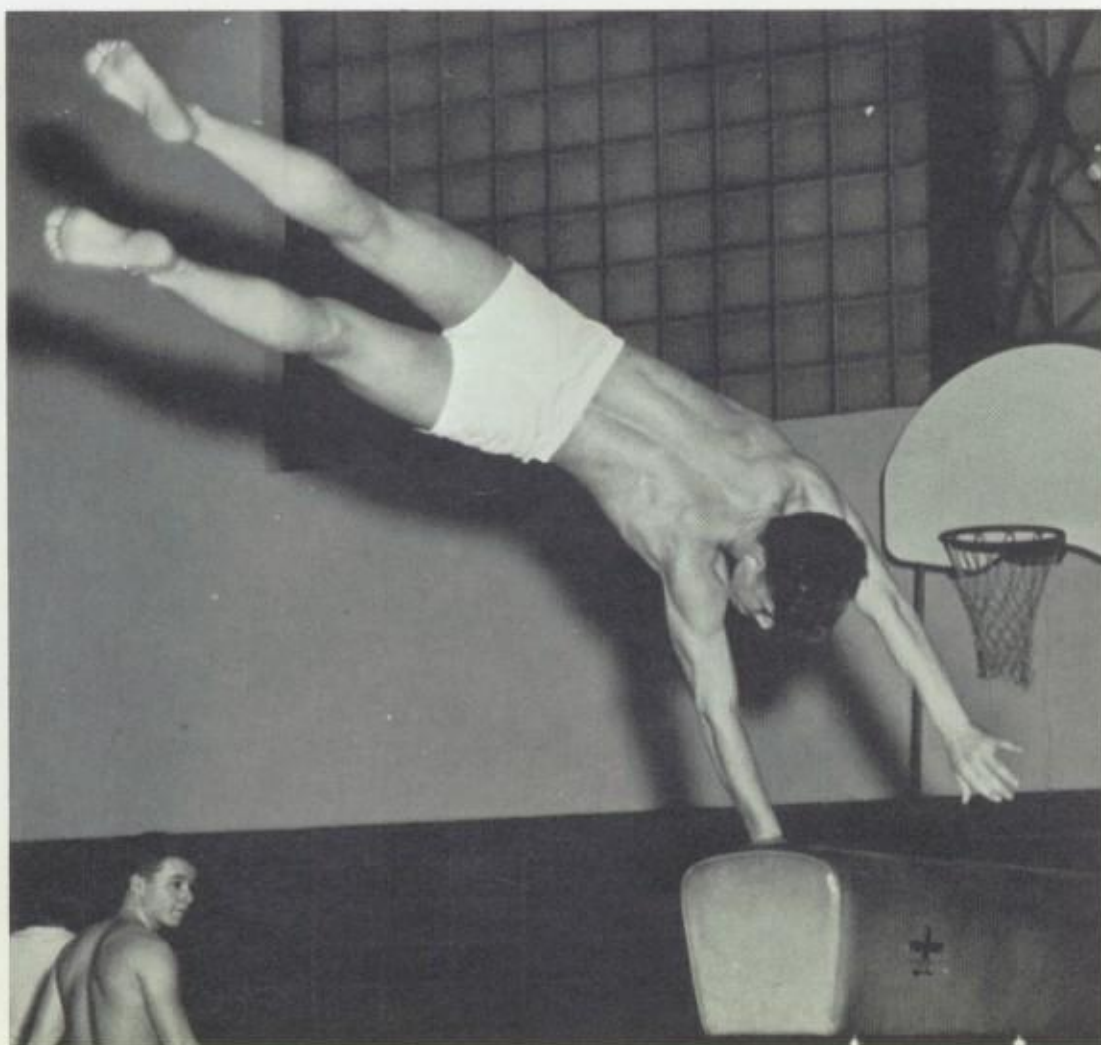

The long horse is more difficult to maneuver skills on than the side horse. Rick Corey is attempting a hurdle on the long horse.

Ronnie Johnson tries a straddle on the side horse.

Precision and timing are also required on the high parallel bars. Here Spot Safford swings on the parallel bars.

Norman Smith attempts a side vault on the long horse.
